Aunt Rita, Grandma, & Sue -

Will try to get a letter off to you later
Suppose Dad gave you this information
but thought you might like one of these
anyway.

We're both just fine and will be going
home Wed. Kara looks just like Deana
did only has real dark hair and eyes.

Deana is really excited and I'm anxious
to get them together and see just what Deana
does. Thank you Grandma for the presents
The baby blanket is beautiful. Love Mary
